Get on GAAP footing ASAP

The longer you wait, the harder to compare historicals and forecast cash flows.

Own your fundraising cadence

Don't have a separate diligence process. Organize the data, create the scenarios, etc. along the way. There are investor FAQs.

Outside of ballet, taekwondo, swimming etc. for my 5- and 3-year-olds, I'm a big space geek.

We just went down to the space center a couple weeks ago...we missed the Artemis launch by four days.
